“Malina”

Hillyard 6 ton aft cockpit

A much beloved Hillyard needs a new owner.

Sister ship of “Lottie Blossom II” , the last sailing boat of Arthur Ransome.

We bought her in 2008 and since then we have done a lot of work to keep her in good working order.

Surveyed by John Lilley in 2008, most of the recommendations have been implemented.

New horn timber, new sails, two batteries, new fuel tank, new roller reefing system, engine regularly serviced, and many more.

Laying at Brighton Marina and ready to sail.
